

## SUMMARY

With **1.5 years** of freelancing, I've tackled various web development challenges, always eager to learn. I'm passionate about creating impactful web solutions. ASP.NET development excites me due to my familiarity with its technologies. Additionally, I've gained valuable teamwork experience. I'm keen to join teams where I can grow and contribute effectively.

## EDUCATION

**Sir Syed Government College,  
Nazimabad**  
Intermediate Studies  
2020 - 2022

**Aptech Computer Education North  
Nazimabad**  
ACCP Prime 2.0  
2022 - Present

## SKILLS

- ASP.NET (MVC)
- C#
- SQL
- AJAX
- JavaScript
- HTML
- CSS
- Bootstrap
- PHP
- MYSQL
- Git

## TECHNOLOGIES

- VS Code
- Visual Studio
- MSSQL
- MySQL
- Git
- GitHub

## ACADEMIC ACHIEVEMENTS

- **Techfest Winner 2023**  
Awarded for outstanding performance and innovation.
- **Academic Excellence Award**  
Received 2 Academic Awards at Aptech .
- **Project of the Month**  
Twice recognized for exceptional contributions to project development.

## ASP.NET PROJECT PORTFOLIO

- **Online Post Office Management System**
- **Online Shopping Store**
- **Personal Portfolio**
- **Airline Reservation System**
- **Real-Time Chat System**

## PHP PROJECT PORTFOLIO

- **Ebook Management System**
- **Property Clinic Management System**
- **MAA Designer**
- **The Great Gleam**

## PROJECT HIGHLIGHTS: A PROFESSIONAL SHOWCASE

### ASP.NET PROJECT PORTFOLIO

- **Online Post Office Management System**

Led ASP.NET solution development to modernize postal operations with user-friendly interfaces for admins, employees, riders and Customer . Integrated features like online payments, email verification, password resets, and a calculator tool. Used APIs for real-time distance calculations, AJAX for dynamic updates, ASP.NET MVC, C#, SQL Server for seamless performance across functionalities.

- **Online Shopping Store**

Developed an Online Shopping Store with robust functionalities including add-to-cart feature, a four-level navigation system for easy browsing, and seamless integration of a payment gateway. Implemented secure login and sign-up processes to enhance user experience and ensure data privacy. Utilized cutting-edge technologies to create a dynamic and user-friendly platform for online shopping.

- **Personal Portfolio**

Developed a Personal Portfolio with an intuitive admin panel for effortless section management. Its dynamic one-page design facilitates easy updates, including precise experience image positioning. Seamlessly integrated email functionality and comprehensive CV management for enhanced user interaction and accessibility.

- **Airline Reservation System**

Designed an Airline Reservation System with user-friendly features for booking flights, managing schedules, and handling user accounts. Seamlessly integrated login and signup functionalities for easy access, while an intuitive admin panel enables efficient oversight of operations

### ASP.NET PROJECT PORTFOLIO

- **Real-Time Chat System**

Created a Real-Time Chat System to enhance customer care and enable real-time communication. Features include timestamped messages, the ability to copy messages, delete entire conversations or specific messages, and count unread messages. Implemented live search functionality for efficient navigation.

### PHP PROJECT PORTFOLIO

- **Ebook Management System**

Developed PHP-based system for organized book management. Implemented authentication, categorization, and search using PHP and MySQL.

- **Property Clinic Management System**

Developed 'Property Clinic' using PHP, enabling client access for construction project monitoring. Implemented progress tracking and document update features.

- **MAA Designer**

Crafted an e-commerce hub showcasing a plethora of dress options, from bridal to casual wear, and allowing users to tailor their own creations. Employed PHP for seamless navigation, elevating client contentment.

- **The Great Gleam**

The Great Gleam: Your premier car service destination in Canada, offering expert detailing, maintenance, and repair solutions. Contact us for superior automotive care and unparalleled customer service.
